

“New IDA Opportunities” Regional Trainings

Goal:

These regional trainings will provide updated information about the traditional IDA program and the new Rebuild Iowa IDA Program, which increases eligibility to 300% FPL for individuals affected by the 2008 natural disasters. There will be time for discussion (including Q & A time) and an opportunity for community action agency staff and credit union staff to meet and discuss ways to improve IDA outreach, promotion and the referral process.

Training Dates:
